

**THE ESSENTIAL SERVICES GROUP IS
PROUD TO PARTNER WITH
IRON MEN OUTDOOR MINISTRIES &
THE "WOUNDED WARRIOR" PROGRAM!**

The Essential Services Group, LLC specializes in helping fundraising groups raise money for worthy causes. ESG has agreements with many of the major essential service companies that provide services we all use daily. Due to the huge number of service referrals ESG is responsible for it has allowed us to put thousands of dollars back into the charities we help!

Here is what could happen if you give a card to 3 people signing up for these services:

1000 people at the event - Only 500 people give 1 card to 3 new service customers

3 cards x 500 people = 1500 cards / services x \$100 dollars

THAT IS \$150,000 DOLLARS GOING TO THIS CHARITY!

And that is just if they sign up for 1 of the services per card!

And it didn't cost you a cent. You only have to give this card to someone needing these services!

This is all you have to do:

1. Use this card or give the card to someone needing these services.
2. Call ESG, LLC @ 1-800-385-1652
3. Tell ESG what services you need and give them the promotion code below.
4. You just put money in the charities bank account to help their cause!
